Dear Business Owner:

Thank you for considering a donation to Horizon High School's Spiritline. We are authorized under Horizon High School Boosters, Inc., a 501(c)(3) organization (Federal Tax ID number 86-0669132).

Our program is a year-round high school sport consisting of both cheer and pom athletes. We not only provide cheer support and halftime dance performances to Horizon and its other sports programs, but also compete at the local, state and national levels. Aside from the dedication and time commitment expected by each member, we also hold our membership to a higher academic standard than required by most programs at school. In addition, we participate in community service activities during the year.

Our members are a wonderful group of talented, focused, and determined young athletes. Your gift will directly benefit our program and our student athletes. We greatly appreciate the amazing support of our community and are deeply thankful for any contribution.

Please feel free to contact us should you have any questions.

With much appreciation,

Jessica Hess  
Spiritline Booster President  
(480) 236-2369

Jim Kernz  
Spiritline Booster Treasurer
