

Horizon Spiritline Sponsorship Drive 2022-2023

Dear Sponsor,

Thank you for considering a donation to Horizon High School's Spiritline. Corporate sponsorships, alongside donations from our Booster club, supplement the much-needed funds not provided by our school or district. These partnerships are essential to the success of our program, and we very much appreciate your valuable time and consideration.

Our program is a year-round high school sport consisting of both cheer and pom athletes. We not only provide spirit support and halftime performances to Horizon and its other sports programs, but also compete at the local, state, and national levels. Aside from the dedication and time commitment expected by each member, we also hold our membership to a higher academic standard than required by most programs at school.

Our members are a wonderful group of talented, focused, and determined young athletes. Your gift will directly benefit our program and our student athletes. We greatly appreciate the amazing support of our community and are deeply thankful for any contribution. Please feel free to contact us should you have any questions.

With much appreciation,
Horizon High School Spiritline Booster Club
