Dear _____,

This upcoming school year (2016-2017) I made the Horizon High School Spiritline and I'm a member of the Varsity Cheer Team. I'm writing to ask for your financial assistance through the use of the Arizona annual state tax credit program.

Arizona's tax law allows taxpayers a tax credit of up to \$200 per person or \$400 per married couples per calendar year if they contribute to character educational programs or extracurricular activities in public schools. The tax credit is available to all the state of Arizona taxpayers, regardless of whether they have children in school. The amount you donate — up to \$200 (or \$400 per married couple) — will be the amount you may claim as a state tax credit. (For example, if you donate \$50, your state tax credit would be \$50.) The tax credit is claimed on your personal tax returns. This financial donation is a 100% tax credit, meaning that you can claim it on your taxes and you will receive it back in your state tax refund for that year. Please note the Arizona State Tax Credit is non-refundable.

If you're willing to donate your annual tax credit to the Horizon High School Spiritline in my name, please complete the attached tax credit form and make your check payable to "Horizon High School". You can give or mail me the completed form and check, and my mom will turn it into the school store. I will follow up to get the completed receipt from school for you to use on your personal taxes.

Thank you for considering to help the Horizon High School Spiritline. Your support and encouragement mean more than you know.

If you have any questions about this program feel free to contact me or my mom. We can be reached at 480-998-4111.

Sincerely,
